

Zone Ball 7 v 2

- Attacking players (A) complete 3 passes whilst moving, then pass across the zone bordering their playing area.
- Score by passing ball from one end line to another without interception.
- Teach children which passes are best, and what tactics to use to keep possession.
- Help them to find space where they can receive a pass, or support a partner.
- With two zones you can vary number of defenders and change size of zones to increase areas for the defender to move.
- Play 6 v 3 or 5 v 4 for more able children.
